Vengeance Rear Bumper

Product Number: E4151

Application: 2017 Ford Super Duty

SAFETY

Your safety and the safety of others is very important.

- In order to help you make informed decisions about safety, we have provided installation instructions and other information.
- These instructions alert you to potential hazards that could hurt you or others.
- Please do a job safety analysis (JSA) before each task to identify potential hazards for your situation and remove/protect against them.
- You must use your own good judgment, and take your time.

Read and understand all safety precautions and instructions before installing this product.

**THIS PRODUCT IS FOR OFFROAD USE ONLY. ALL LIABILITY FOR
INSTALLATION AND USE RESTS WITH THE OWNER.**

**CARELESS INSTALLATION AND OPERATION CAN RESULT IN SERIOUS INJURY
OR EQUIPMENT DAMAGE.**

**SENSORS FIELD OF VIEW WILL BE ALTERED WITH USE OF THE
REPLACEMENT BUMPER.**

Injury hazard

Failure to observe these instructions could lead to severe injury or death.

- Always** remove jewelry and wear eye protection.
- Always** use extreme caution when jacking up a vehicle for work. Set emergency brake and use tire blocks. Locate and use the vehicle manufacturers designated lifting points. Use jack stands.
- Always** use appropriate and adequate care in lifting components into place.
- Always** insure components will remain secure during installation and operation.
- Always** wear safety glasses when installing this kit. A drilling operation will cause flying metal chips. Flying chips can cause serious eye injury.
- Always** use extreme caution when drilling on a vehicle. Thoroughly inspect the area to be drilled (on both sides of material) prior to drilling, and relocate any objects that may be damaged.
- Always** use extreme caution when cutting and trimming during fitting.
- Always** tighten all nuts and bolts securely per installation instructions.
- Always** route electrical cables carefully. Avoid moving parts, components that become hot and rough or sharp edges.
- Always** insulate and protect all exposed wiring and electrical terminals.
- Always** perform regular inspections and maintenance on mounts and related hardware.

Installation Instructions

Vengeance Rear Bumper

Product Number: E4151
Application: 2017 Ford Super Duty

II. Vehicle Preparation

1. Start by locating the trailer plug and tag light plug shown below. Unplug both of these.

2. Next using a 13/16" deep socket remove the four nuts holding the factory rear bumper brackets to the frame on each side of vehicle. See image below.

Application: 2017 Ford Super Duty

3. Next using $\frac{1}{2}$ " socket remove the two bolts located on either side of receiver tube (see image). Once these are removed rear bumper is ready to come off vehicle.

III. Sensor Installation

1. Remove sensors for rear bumper and place them in corresponding location in Fab Fours Bumper. Sensor harness routing shown below. The two inner sensors on the factory bumper will be switched in the Fab Fours Vengeance bumper. Meaning your right inner from the factory is now the left inner in the Vengeance bumper.

2. Drill the OEM Trailer Hitch Plug using a #16 Drill Bit (.177") in the locations pointed out with arrows below. Use care to drill directly in the center of the circles in the plastic.

3. Install the trailer plug into the cutout in the new bumper using the #8 supplied hardware.
4. Next using provided terminals splice into factory tag light wiring.

Application: 2017 Ford Super Duty

7. Finally position bumper into desired location and tighten all of the OEM hardware.
8. To complete installation you can now hook up tag lights and plug in the trailer plug connector.

V. Maintenance/Care

- Periodically check and tighten all fasteners.
- Stripped, fractured, or bent bolts or nuts need to be replaced.
- Keep all surfaces free of dirt, road grime, and standing water to ensure finish longevity.
